

## Named an Affected Party? What Happens Next?

You have been named an affected party in the contested case hearing. The administrative law judge has ruled that named persons must align with a named group such as **Stop 3009 Vulcan Quarry**/Friends of Dry Comal Creek.

### Benefits of Aligning with Us

- Our group is represented by a leading environmental law attorney
- Much easier: our attorney builds the case, writes briefs, organizes expert testimony, etc.
- Much lower cost to you in time and dollars

### Important to Know

- Our attorney represents our group as a whole – not any one individual.
- Cost for legal representation and scientific experts in contested case hearing is estimated at \$150,000.
- So far, we have raised over \$35,000 and invested over 10,000 volunteer hours.
