

## WHY SPONSOR?

### **Sponsorship Deadline: March 1, 2024**

Preserve Our Hill Country Environment (PHCE) Foundation DBA [Stop 3009 Vulcan Quarry](#), is a 501(c)3 dedicated to raising support for legal fees in our ongoing battle with Vulcan Construction Materials and TCEQ with respect to the over-aggressive expansion of the aggregate industry in the Texas Hill Country.

**Why should you care (or why is this alarming)?** If the quarry goes forward, the negative impact on clean water access, property values, air quality and noise level is immeasurable. There are over 16,000 residents within a 5-mile radius of the planned site.

**Where is the quarry planned?** Extends from the corner of State Hwy. 46 and FM 3009 nearly 3 miles to the southwest in Comal County; entirely over the Edwards Aquifer Recharge Zone - **wrong location!**

**What can you do to help?** Consider participating as a Sponsor and/or donating to our auction. Please take a few moments to learn about our upcoming [Dinner & Auction](#).

Our Bluebonnet Extravaganza is scheduled for Saturday, April 13, 2024 in Spring Branch at the beautiful Knibbe Ranch, one of the few remaining Century Heritage Ranches in the state of Texas.
